## 2023 Sponsorship Form

Surry Youth Sports is an established community-based organization that serves the student-athletes of Surry County, Virginia, and surrounding areas. Our goal is to provide an instructive environment with competitive field teams that enjoy success locally, regionally, and nationally for children ages 5-14. Surry Youth Sports is led by a board of directors, volunteer coaches, and support backed by parents, community partners, and organizations.

Our primary revenue source is registration fees paid by families. These funds alone do not cover all of the operating expenses and in most cases, players' families often must raise funds to pay for equipment, training fees, and travel. To make this experience a reality for our youth, we are reaching out directly to area businesses, families, and friends to help by becoming a sponsor and/or donor. Your contributions will be used exclusively to reduce the growing costs of the teams, enabling all members to fully participate in the Peninsula Youth Football Cheer Organization (PYFCO).

Please take a moment to review the sponsorship selections. We look forward to working with you as we move forward in building a program that supports our children and community.

Respectfully yours,

Surry Youth Sports
